<b><i>4:00 pm</i></b>	TBA	TBA	TBA	TBA

Format for Classifications:

- Traditional: The 10 best fielders for team "A" will face the entire line-up of team B" (regardless of outs). Batters may be asked to not take a "walk" after 4 balls. The classification team may ask the batter to see more pitches in order to give him/her an opportunity to hit the ball and judge the capabilities of the fielding team. Next, the 10 best fielders for team "B" will face the line-up of team "A". Repeat as necessary.
- Note: Substitutes will be asked to bat. Teams will field only their best 10 players. The game format may be altered at the discretion of the classifications team based upon the competitiveness of the game.
- All teams need to arrive 30 minutes before game time **in uniform** and plan to stay until released by the competition director(s).
- **Coach Pitch, Unified, Ind. Skills** are not required to attend Classifications.
- Please have your team play their part in ensuring that the tournament & classifications are SAFE and enjoyable for everyone involved. Please review all of the tournament & classifications information provided to you by the Softball Committee.
