

Individual Skills Basketball

Tentative Schedule for Prelims 2019

Prelims are scheduled to begin at 10am on Friday morning. **Teams will complete prelims by delegation at the scheduled times listed below.** Teams should arrive at the gym 10-15 minutes prior to their start time but don't be there too early or you will have to wait. All individual skill participants from your delegation should be present at the scheduled time. Each time slot, except the first, has between 25-35 scheduled athletes. We will work as efficiently as we can – please be patient with our system – it works to keep the event moving and organized. If you have any questions during the event ask Deborah Buswell, on-site Individual Skills Key Volunteer.

After completion of ALL prelims athletes will be heated for finals – this task cannot be completed until all athletes have completed prelims. All athletes must return to the venue no later than 1:30pm for finals and be available when their heat is called.

SCRATCHES – We have a record number of athletes for individual skills this year (up more than 50 from previous years). Please send a text message to 512-558-1603 (Deborah) by 8am on Friday, May 17th with any scratches – please just send the Delegation and the name(s) of the athletes. This will be a tremendous help with scheduling. Last minute scratches will still be handled on site.

10:00

Keller ISD
