INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Special Olympics Texas, Inc.

We have audited the accompanying financial statements of Special Olympics Texas, Inc. (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Special Olympics Texas, Inc. as of December 31, 2015 and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Prior Period Financial Statements

The financial statements for December 31, 2014 were audited by other auditors whose report dated April 14, 2015, expressed an unmodified opinion on those statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Special Olympics Texas, Inc. (the Organization) provides year-round athletic training and Olympic-type sports competition to children and adults with mental/intellectual disabilities and other closely related developmental disabilities. The Organization's mission is to provide continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in sharing of gifts, skills and friendship with their families, other Special Olympians, and the community. Events are held at the area, regional, and state levels culminating in the Summer, Winter, and Fall Classic Games. Special Olympics Texas, Inc. is a registered 501(c)(3) not-for-profit organization supported by private donations from individuals, corporations, and organizations throughout the state. The program is dependent on volunteers who serve as coaches, officials, committee members, and more.

Summary of Significant Accounting Policies

Basis of Presentation - The Organization's financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. For financial statement purposes, the Organization distinguishes between contributions of unrestricted assets, temporarily restricted assets, and permanently restricted assets.

Cash and Cash Equivalents - For purposes of the statement of cash flows, cash and cash equivalents consist of cash held in bank deposit accounts and short-term and highly liquid investments with an original purchase maturity date of three months or less.

Investments - Investments in equity securities with readily determinable fair values are based on quoted market values while the time deposits are estimated at fair value by summing the principal investment plus accrued interest. Investment income and unrealized gains and losses are reported as increases in unrestricted net assets unless the donor placed restrictions on the of such earnings use. The change in fair value between years is reflected in the statement of activities in the year of the change as investment return.

SPECIAL OLYMPICS TEXAS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Net Assets Classifications - The Organization classifies its net assets into three categories as follows:

Unrestricted - Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be used for any purpose or designated for specific purposes by action of the Board of Directors.

Temporarily Restricted - Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire by the passage of time. Temporarily restricted net assets include the portion of donor-restricted endowment funds that have not been appropriated for expenditure by the Organization.

Permanently Restricted - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization.

Contributions and Accounts Receivable - Contributions received (including unconditional promises to give) are recorded as unrestricted, temporarily restricted, or permanently restricted support in the period received depending on the existence and/or nature of any donor restrictions. Contributions received which are part of the Organization's ongoing major or central activities are recognized as revenue. Conditional promises to give are recognized as the conditions upon which they depend are substantially met. The Organization measures promises to give with time horizons of cash flow greater than one year using an appropriate discount rate that is consistent with the general principles of fair value measurement. Promises to give are recognized as revenue only if sufficient evidence exists in the form of verifiable documentation that a promise was made and received.

The Organization reports contributions as restricted support if the support is received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as unrestricted. Support that is not restricted by the donor is reported as an increase in unrestricted net assets in the reporting period in which the support is recognized. Donated assets are recorded at their estimated fair market values at the date of receipt.

SPECIAL OLYMPICS TEXAS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Allowance for Doubtful Accounts - The Organization provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Organization's estimate is based on historical collection and a review of the current status of the accounts receivable. Management has determined that no allowance for doubtful accounts is necessary as of December 31, 2015 and 2014.

Contributed Services and Assets - Contributed assets and services are recorded at their estimated fair value on the date of donation. The Organization received in-kind contributions and donated services for the years ended December 31, 2015 and 2014 of \$9,425,646 and \$7,931,879, respectively, and primarily represent contributed services related to coaches' time and services for the winter and spring games. In addition, many individuals volunteer their time to assist the Organization, but these services do not meet the criteria for recognition as contributed services, and therefore have not been recorded in the accompanying financial statements.

The Organization reports contributions of land, buildings, and equipment as unrestricted unless explicit donor stipulations specify how the donated assets must be used. Gifts of assets with explicit restrictions that specify how the assets are to be used are accounted for as restricted support. The Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. There were no fixed asset in-kind donations made during 2015 or 2014.

Property and Equipment - Property and equipment is recorded at cost on the date of acquisition or at fair value on the date of donation. Repairs and maintenance are charged to expenses. Betterments and renewals, which add significantly to the utility or useful lives of the assets, are capitalized. Gains and losses from normal retirements or dispositions are credited or charged to revenue.

The Organization currently capitalizes property and equipment having an estimated useful life of more than one year, and meets or exceeds \$1,000 in cost, individually. Property and equipment are depreciated using the straight-line method over the following useful lives: building 30 years, building improvements 10 years, and furniture and equipment 5 years.

Income Taxes - The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Unrelated business income, of which the Organization had no significant amounts for the years ended December 31, 2015 and 2014, is subject to federal income taxes. The Organization assesses uncertainties in income tax recognition in its financial statements and uses a threshold of more-likely-than-not for recognition and de-recognition of tax provisions taken. There is no provision or liability for federal income taxes in the accompanying financials. The Organization's Form 990 is subject for review by the Internal Revenue Service for a period of 3 years from the filing date.

SPECIAL OLYMPICS TEXAS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimated.

Functional Expenses - The expense information contained in the statements of activities and functional expenses is presented on a functional basis. Accordingly, certain expenses are allocated between functional categories based on management's estimates.

Concentration of Credit Risk - Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents, contributions and accounts receivable, and investments. There were no cash or cash equivalent accounts that exceeded the maximum Federal Deposit Insurance Corporation limits at December 31, 2015 or 2014.

At December 31, 2015 and 2014, investment balances were \$1,210,940 and \$3,557,965, respectively, and were held in uninsured accounts. In management's opinion, the Organization's cash and cash equivalents and investments do not represent a significant concentration of credit risk due to the diversification of the Organization's portfolio among institutions, instruments, and issuers.

For contributions and promises to give, the Organization performs ongoing credit evaluations of the donor's financial condition.

Reclassifications in Prior Year Financial Statements - Certain reclassifications have been made to the prior year's financial statements to conform to the current year's presentation.

Subsequent Events - The Organization evaluates events that occur subsequent to the date of the financial statements, but before financial statements are issued for periods ending on such dates, for possible adjustment to such financial statements or other disclosure. This evaluation generally occurs through the date at which the Organization's financial statements are issued. For the financial statements as of and for the year ending December 31, 2015, this date was April 8, 2016.

3. FAIR VALUE OF FINANCIAL INSTRUMENTS

The requirements of Fair Value Measurements and Disclosures of the Accounting Standards Codification apply to all financial instruments and all nonfinancial assets and nonfinancial liabilities that are being measured and reported on a fair value basis. Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement is the same in both cases – to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price). Fair Value Measurements and Disclosures also establish a fair value hierarchy that prioritizes the inputs used in valuation methodologies into the following three levels:

SPECIAL OLYMPICS TEXAS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

3. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

- Level 1 Inputs – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity can access at the measurement date.
- Level 2 Inputs – Inputs other than quoted prices included with Level 1 that are observable for the asset or liability either directly or indirectly.
- Level 3 Inputs – Unobservable inputs for the asset or liability.

The following table represents assets measured at fair value on a recurring basis as reported on the statement of financial position as of December 31, 2015 and 2014, and by level within the fair value measurement hierarchy:

Description	Amount	Fair Value Measurements at Reporting Date Using

Temporarily Restricted

Temporarily restricted net assets were \$1,497,834 and \$3,126,428, at December 31, 2015 and 2014, respectively, and they are restricted primarily for team funds and the remainder of the building projects, including the building of a new headquarters financed primarily through a capital campaign during the years ended December 31, 2015 and 2014.

Permanently restricted net assets totaled \$585,580 at December 31, 2015 and 2014.

6. ENDOWMENTS

The Organization's endowment consists of donor-restricted funds, which are restricted for the purpose of furthering the Organization's mission. Net assets associated with the endowment funds, which may include funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions.

The Organization has interpreted Texas Uniform Prudent Management of Institutional Funds Act (Texas UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by Texas UPMIFA.
