## **Information Session on Planning for Special Needs Dependents**

**Saturday, May 26 at 7:30 p.m. at UT-Arlington Stadium  
(during Summer Games Victory Dance)**

While the athletes are celebrating at the Victory Dance, please join us for this absolutely FREE informative educational seminar designed to help parents and guardians think about planning steps for the future of their special needs dependent. *This is NOT a sales presentation!*

Walter Rudecki of American National Insurance Company will address questions like:

- What do I need to do to ensure the quality of life I intend for my special needs child?
- How can I avoid common pitfalls of special needs planning?
- How can I maximize the public & private resources available to me and my athlete?
- How can I create an inheritance for my special needs child right away without cutting off or into government assistance?
- How can I produce a “totally predictable result”?

Mr. Rudecki, an attorney, has 30 years of experience with insurance, taxes, business & estate planning and employee benefit plans. He earned law degrees from Michigan State College of Law and Georgetown University Law School).

The 30-minute presentation--plus a question-and-answer session--will include light refreshments. You'll also receive a packet full of useful information to take home.

Follow the signs at the Victory Dance to the meeting room under the stands on the Press Box side of the stadium.
