## **Independent Auditors' Report**

To the Board Of Directors  
Special Olympics Texas, Inc.

We have audited the accompanying financial statements of Special Olympics Texas, Inc. (a nonprofit corporation), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Special Olympics Texas, Inc. as of December 31, 2020 and 2019, and the result of its operations and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020 and 2019**

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Organization**

Special Olympics Texas, Inc. (the Organization) provides year-round athletic training and Olympic-type sports competition to children and adults with mental/intellectual disabilities and other closely related developmental disabilities. The Organization's mission is to provide continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in the sharing of gifts, skills and friendship with their families, other Special Olympians, and the community. Events are held at the area, regional, and state levels culminating in the Summer, Winter, and Fall Classic Games. Special Olympics Texas, Inc. is a registered 501(c)(3) not-for-profit organization supported by private donations from individuals, corporations, and organizations throughout the state. The program is dependent on volunteers who serve as coaches, officials, committee members, and more.

**Summary of Significant Accounting Policies**

**Basis of Presentation** - The Organization's financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. For financial statement purposes, the Organization distinguishes between contributions with donor restrictions and without donor restrictions.

**Cash and Cash Equivalents** - For purposes of the statement of cash flows, cash and cash equivalents consist of cash held in bank deposit accounts, and short-term and highly liquid investments with an original purchase maturity date of three months or less.

**Contributions and Accounts Receivable** - Contributions received (including unconditional promises to give) are recorded as support with or without donor restrictions in the period received depending on the existence and/or nature of any donor restrictions. Contributions received which are part of the Organization's ongoing major or central activities are recognized as revenue. Conditional promises to give are recognized as the conditions upon which they depend are substantially met. The Organization measures promises to give with time horizons of cash flow greater than one year using an appropriate discount rate that is consistent with the general principles of fair value measurement. Promises to give are recognized as revenue only if sufficient evidence exists in the form of verifiable documentation that a promise was made and received.

**SPECIAL OLYMPICS TEXAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020 and 2019**

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

The Organization reports contributions as restricted if the support is received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as without donor restrictions. Support that is not restricted by the donor is reported as an increase in net assets without donor restrictions in the reporting period in which the support is recognized. Donated assets are recorded at their estimated fair market values at the date of receipt.

**Investments** - Investments in equity securities with readily determinable fair values are based on quoted market values while the time deposits are estimated at fair value by summing the principal investment plus accrued interest. Investment income and unrealized gains and losses are reported as increases in net assets without donor restrictions unless the donor placed restrictions on the use of earnings. The change in fair value between years is reflected in the statement of activities in the year of the change as investment return.

**Fair Value Measurements** - The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.

Level 2 - Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads, and yield curves.

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Organization's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

**SPECIAL OLYMPICS TEXAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020 and 2019**

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

**Net Assets Classifications** - The Organization classifies its net assets into two categories as follows:

Without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations. Net assets without donor restrictions may be used for any purpose or designated for specific purposes by action of the Board of Directors.

With Donor Restrictions - Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire by the passage of time. Net assets with donor restrictions include the portion of donor-restricted endowment funds that have not been appropriated for expenditure by the Organization. The Organization received \$943,014 and \$2,678,773 in restricted support in the years ending December 31, 2020 and 2019, respectively.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

**Allowance for Doubtful Accounts** - The Organization provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Organization's estimate is based on historical collections, and a review of the current status of the accounts receivable. Management has determined that no allowance for doubtful accounts is necessary as of December 31, 2020 and 2019.

**Contributed Services and Assets** - Contributed assets and services are recorded at their estimated fair value on the date of donation. The Organization received in-kind contributions and donated services for the years ended December 31, 2020 and 2019, of \$1,037,175 and \$9,046,531, respectively, and primarily represent contributed services related to coaches' time and services for the winter and spring games. In addition, many individuals volunteer their time to assist the Organization, but these services do not meet the criteria for recognition as contributed services, and therefore have not been recorded in the accompanying financial statements.

The Organization reports contributions of land, buildings, and equipment as unrestricted unless explicit donor stipulations specify how the donated assets must be used. Gifts of assets with explicit restrictions that specify how the assets are to be used are accounted for as restricted support. The Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. The Organization received \$86,500 and \$0 in fixed asset in-kind donations in the years ending December 31, 2020 and 2019, respectively.

**SPECIAL OLYMPICS TEXAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020 and 2019**

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

**Property and Equipment** - Property and equipment are recorded at cost on the date of acquisition or at fair value on the date of donation. Repairs and maintenance are charged to expenses. Betterments and renewals, which add significantly to the utility or useful lives of the assets, are capitalized. Gains and losses from normal retirements or dispositions are credited or charged to revenue.

The Organization currently capitalizes property and equipment having an estimated useful life of more than one year, and meets or exceeds \$1,000 in cost, individually. Property and equipment are depreciated using the straight-line method over the following useful lives: building 30 years, building improvements 10 years, and furniture and equipment 5 years.

**Use of Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimated.

**Income Taxes** – The Organization is exempt from federal income taxes pursuant to the provisions of Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). Therefore, no provision for federal income taxes has been reflected in the financial statements.

The Organization has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more likely than not be sustained upon examination by taxing authorities. The Organization has analyzed the tax positions taken in its filings with the Internal Revenue Service and state jurisdictions where it operates. The Organization believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial position, changes in net assets, or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2020 and 2019. The tax returns for the years ending December 31, 2017, and after are open to examination by federal, local, and state authorities. There are currently no income tax audits for any tax periods in progress.

**Functional Expenses** - The expense information contained in the statements of activities and functional expenses is presented on a functional basis. Accordingly, certain expenses are allocated between functional categories based on management's estimates. Depreciation, insurance, and occupancy expense are allocated based on square footage. All other expenses are allocated based on time and effort.

**SPECIAL OLYMPICS TEXAS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020 and 2019**

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

**Concentration of Credit Risk** - Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents, contributions and accounts receivable, and investments. There was \$1,238,725 in cash or cash equivalent accounts that exceeded the maximum Federal Deposit Insurance Corporation limits at December 31, 2020.

In management's opinion, the Organization's cash and cash equivalents and investments do not represent a significant concentration of credit risk due to the diversification of the Organization's portfolio among institutions, instruments, and issuers.

For contributions and promises to give, the Organization performs ongoing credit evaluations of the donor's financial condition.

**Subsequent Events** - Subsequent events have been evaluated through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued. (See Note 14)

2. AVAILABLE RESOURCES AND LIQUIDITY

The following represents the Organization's financial assets at December 31, 2020:

Financial assets at year-end	2020	2019
Cash and cash equivalents	\$ 1,847,457	\$ 1,494,229
Accounts receivable	99,131	150,040
Investments, less endowment	<u>3,372,937</u>	<u>2,890,384</u>
Financial assets available to meet cash needs for general expenditures over the next twelve months	<u>\$ 5,319,525</u>	<u>\$ 4,534,653</u>

The Organization considers contributions restricted for programs which are ingoing and central to its annual operations to be available to meet cash needs for general expenditures. In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates only incurring expenses if adequate funds are available to pay for them. The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments.

Earnings on the related investments may be expended on specific programs of the Organization which were stipulated by the respective donors in accordance with endowment policies. Net assets with donor restrictions that are to be used into perpetuity totaled \$343,580 for each of the years ended December 31, 2020 and 2019.

7. ENDOWMENTS

The Organization's endowment consists of donor-restricted funds, which are restricted for the purpose of furthering the Organization's mission. Net assets associated with the endowment funds, which may include funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor imposed restrictions.

The Organization has interpreted Texas Uniform Prudent Management of Institutional Funds Act (Texas UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by Texas UPMIFA.

7. ENDOWMENTS - CONTINUED

In accordance with Texas UPMIFA, the Organization considers the following factors in making a determination on the amount, if any, to be available for distribution from each endowment fund:

1. The duration and preservation of the fund
2. The purposes of the Organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the Organization
7. The investment policies of the Organization.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or Board of Directors requires the Organization to retain as a fund of perpetual duration. The Organization did not have any funds with deficiencies as of December 31, 2020 and 2019.
